CHRISTIE SPACES

Instructions for Use

For Screen Sharing:
Connect wirelessly via Airserver

Windows PC:

Press the "Windows" key & 'K' key

⊞ **+ K**
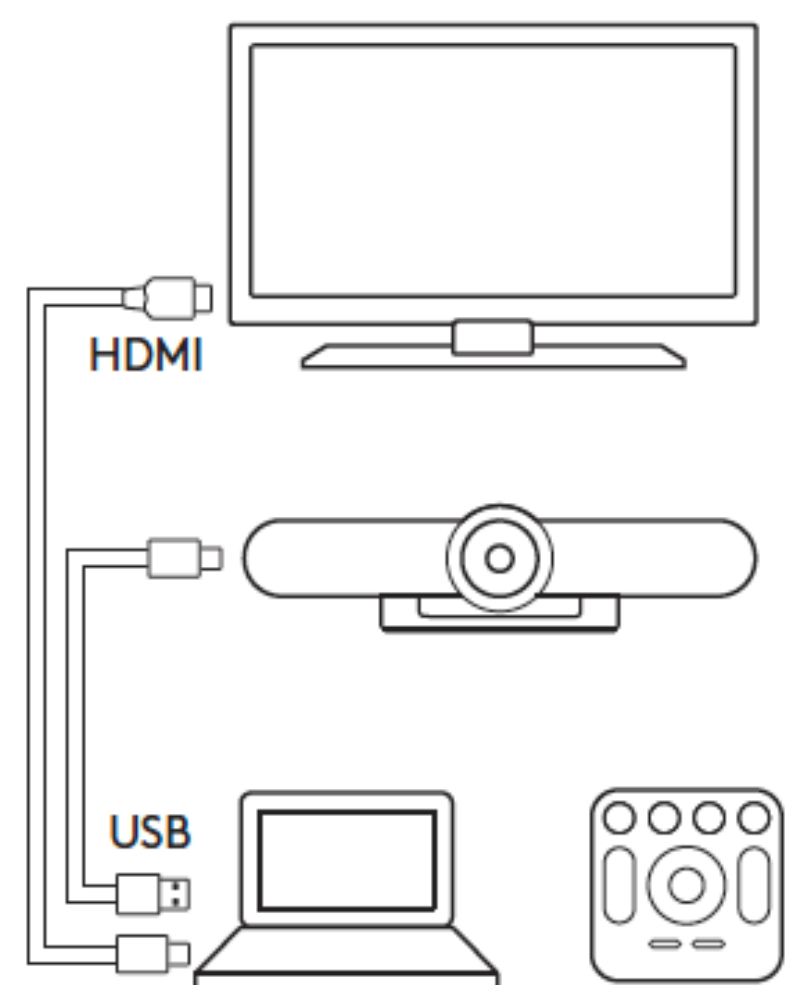

Apple Devices:

Use AirPlay & Enter the Code

(If you experience technical difficulties connecting this way, please use the HDMI cable)

OR

For Video Conferencing with Camera & Speakers:
Connect via HDMI & USB

1. **Connect USB and HDMI cable to device.**

2. **In your video conferencing software (Microsoft Team, Zoom, etc) make sure the microphone and camera source is set to 'Logitech MeetUp Device'**

3. **If your screen has not displayed on the TV, change the source to the correct HDMI. The correct HDMI cable is 'HDMI 1'.**

HDMI

USB
